DATE: February 16, 2010
TO: Gala Hicks, HR Director
FROM: Butch Crawford, President IAFF 2067
SUBJECT: Request for information

This request is concerning a grievance response I received on November 16, 2009 on behalf of Leroy Lukinbill from the City Manager sustaining the grievance response requested.

The Union would like documentation of how much sick leave was converted back to OJI leave and when this was changed back for Leroy. The Union would also request the total amount of medical bills that was reimbursed back into the Insurance fund from the City's OJI fund concerning Leroy's case and when that transaction occurred.

This information will help us close this issue and make whole our records. Thank you in advance for your attention to this.
